

## INSTRUCTIONS

The following paragraph contains 7 errors. Correct the errors. Note that there can be only one error per line.

Please write in a legible way. If you make any corrections, please make sure it is clear what your final answer is.

Correcting errors:

- Underline the incorrect part of the line and write the correction in the empty space on the right.
- If a word is missing, indicate where it should be by putting an insert mark (∩) and write the missing word in the empty space on the right.
- If there is an **extra** word in the line, underline it write it in the empty space on the right and cross it out.
- If there are no errors in the line, put a tick mark (✓) in the empty space on the right.

It is often the case that the principle street of an English town or city is	1
called after the High Street, and in the past it would have been there that	2
people use to meet, do business and go shopping. However, over the	3
last few decades, Britain, like other developing countries, has seen	4
“giant” supermarkets and major new shopping centres springing on	5
the outskirts of urban areas or in locations who are easily reached by	6
car and have ample parking. The appearance of these new temples of	7
retailing is both the result and the cause of the phenomena known as	8
the “death of the High Street”.	9

SOLUTION

It is often the case that the <u>principle</u> street of an English town or city is	1 PRINCIPAL
called <u>after</u> the High Street, and in the past it would have been there that	2 <del>AFTER</del>
people <u>use</u> to meet, do business and go shopping. However, over the	3 USED
last few decades, Britain, like other <u>developing</u> countries, has seen	4 DEVELOPED
“giant” supermarkets and major new shopping centres showing <u>up</u> on	5 UP
the outskirts of urban areas or in locations <u>who</u> are easily reached by	6 THAT
car and have ample parking. The appearance of these new temples of	7 ✓
retailing is both the result and the cause of the <u>phenomena</u> known as	8 PHENOMENON
the “death of the High Street”.	9 ✓
